IT IS ORDERED that Louisville Gas and Electric Company ("LG&E") shall file the original and 10 copies of the following information with the Commission, with a copy to all parties of record, no later than 20 days from the date of this Order. If the information cannot be provided by this date, LG&E should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which the information will be furnished. Such motion will be considered by the Commission.

1. What was the basis of the 5-year period for refunding Allene N. Clemons if LG&E, in fact, has customer records dating back to 1982? Why did LG&E not refund for 10 years?

2. Provide calculations for the estimate used to determine the customer refund of \$81.76.

3. Is multiple residential service from one meter generally indicated on customer bills? Provide sample copies of Ms. Clemons' bills prior to June 1993.
